# Grassland CRP Overview

- Created by 2014 Farm Bill, reauthorized by the 2018 Farm Bill
- Goal of 2 Million Acres
- Most recent sign-up period for Grassland CRP in 2021 ran from July 12 to August 20, 2021.

# Grassland CRP

## Working Lands Program

- Contracts with agricultural producers so that environmentally sensitive agricultural land is not farmed or developed, but instead used for conservation benefits.
- FSA provides participants with rental payments and cost-share assistance. Contract duration is 10 or 15 years.
- Grassland CRP helps landowners and operators protect grassland, including rangeland, and pastureland, and certain other lands, while maintaining the areas as grazing lands.
- Emphasizes support for grazing operations, plant and animal biodiversity, and grassland that can contain shrubs and forbs under the greatest threat of conversion.

# Current Grassland Contributions

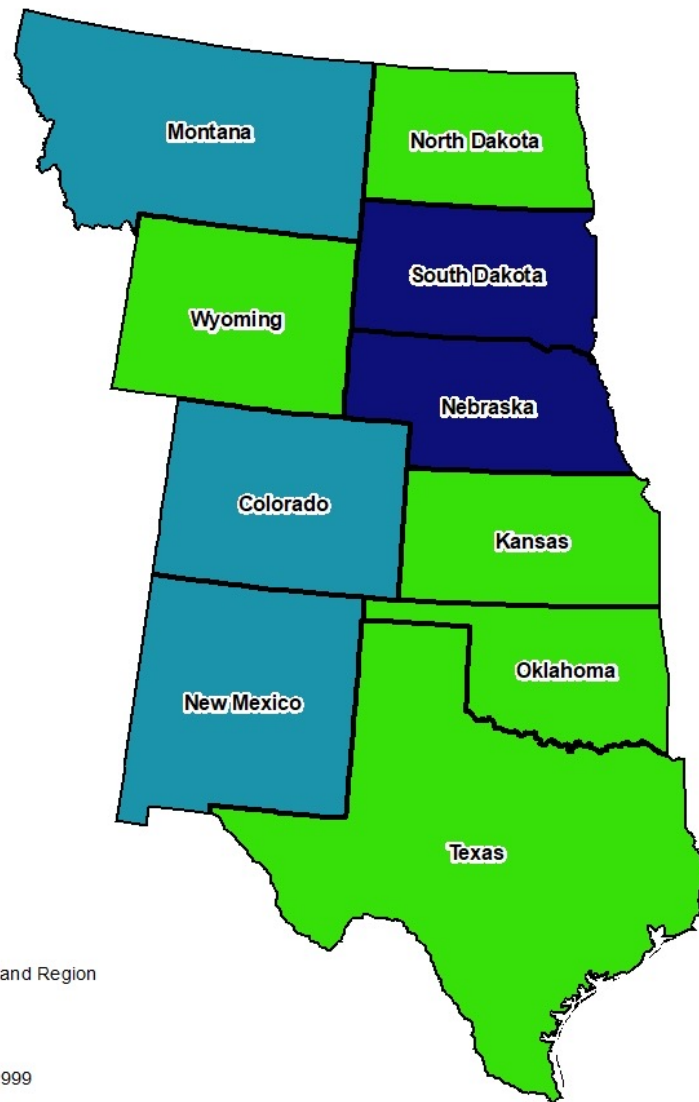

Ranking period	Contract acres
Signup 200	535,185
Signup 201	381,249
Signup 202	954,483
Signup 203	???
<b>Total</b>	<b>1,870,917</b>

# Current Grassland CRP by State

Total Grassland CRP Acres by State

**Legend**

Central Grassland Region

**Total Acres**

- 99,999
- 100,000 - 299,999
- 300,000 - 499,999
- 500,000 - 603,205

Opportunity for Growth withing the Roadmap area.
