

Fall 2023 Roadmap Forum
Launching the First Scorecard Update

Purpose

- Provide updates from various Scorecard Teams
- Provide opportunities for teams and participants to learn from one another
- Identify both gaps and areas of collaboration as we
- Continue to define initial baselines for the Scorecard Goals

Participants: Existing and new members of each Scorecard goal team (from Spring 2022) and the Metrics workgroup (active since 2020, inactive recently), as well as other Roadmap participants.

8:30 am MST ~ Getting Started: Review purpose of today's forum, the Scorecard as it is right now and what is trying to be achieved collectively.

8:50 am MST ~ Integrated Modeling Roundtable Updates

10-minute update from each of the following teams, followed by panel discussion

- Mapping Bird Populations: Brandt Ryder & Chris Latimer
- Tracking Land Conversion & Woody Encroachment: Dirac Twidwell & Sarah Olimb
- Understanding Human Experiences on the Landscape: Social Workgroup

9:45 am MST ~ Showcasing Focused Scorecard Teams

10-minute update from each of the following teams, followed by panel discussion

- Soil Health Workgroup and Old Growth Grassland Remnants Project (Cornell-led Team)
- Insects (Mace Vaughn, Ray Moranz and Xerces-led Insect/Pollinator Team)
- Mammals (Ana Davidson and CSU-led Prairie Dog Team)

10:30 am MST ~ Scorecard Team Breakout Rooms ~ Round 1

- Break into Scorecard Goal-specific sessions
- Discuss any additional questions from participants to understand progress
- What do the workgroups need to proceed? Where can collaboration happen?

11:00 am MST ~ Scorecard Team Breakout Rooms ~ Round 2

- Break into Scorecard Goal-specific sessions for a second time, allowing participants to be able to choose more than one Scorecard goal to contribute to
- Discuss any additional questions from participants to understand progress
- What do the workgroups need to proceed? Where can collaboration happen?

11:30 am MST ~ Scorecard Team Leads Roundtable (Full Zoom Room)

- Hear reflections from Scorecard leads on where we're at
- What needs to happen next? How might work on goals be further integrated?

12:00 pm MST ~ Next Steps and Addressing Gaps

- How do we catalyze a team for Water?
- What support do Industry Teams need to address Goals 6 and 7?
- How might we scale any of this work at the local/regional level?

12:30 pm MDT ~ Adjourn
